FROM THE BARON & BARONESS:

Unto the Mighty Barony of Caerthe do Kronos and Catherine send warm greetings

Greetings to our amazing populace, Coronation is quickly approaching where with heartfelt sorrow we must say farewell to our own Hoegaarden and Chiara, King and Queen of our wonderful Outlands. And welcome their heirs Sir Giovanni and Countess Cainnleach. If you have not gotten your feast reservations yet, time is running out. And this is sure to be a wonderful event. Kingdom A&S was spectacular there were so many amazing entries and many of those were from Caerthe. I would like to thank all of those who entered and also those who gave so freely of there time and knowledge to help judge. The event ran smoothly and was so much fun because of all your efforts. And our own THL Roland from the Canton took on a very arduous task as Kingdom Seneschal, three cheers for Roland and the Canton and on that same note THL Robert will be stepping down as the seneschal of Caerthe and THL Orfhlaith will be stepping up as our new seneschal, three cheers for both these gentles. If you had a chance to glance at the Kingdom calendar it's starting to get filled up with many fun events. It looks like it's going to be a busy summer of camping and reveling. Huzza! And just a reminder that while you are out and about, keep and eye out for any potential property or building that the barony might be able to purchase for our use. It really would be a blessing to have our own site to be able to use all the time so stay sharp you never know what's around the next corner. Hope to see all of you at Coronation

Yours In Service

Sir Kronos and Lady Catherine
Baron Baroness

From the Senescal

Unto the Populace of Caerthe, farewell.

It has been my pleasure to be your Seneschal for more than two years now, and it is with a heavy heart I pass on the key that symbolizes the office. I would like to take a moment to look back and express my gratitude.

The Barony of Caerthe has shown unprecedented growth and activity since I have been Seneschal. Our membership has doubled and fighter practice attendance has increased by several orders of magnitude. It is now common to
see "Caerthe versus the world" confrontations in every arena of battle, with Caerthe very often the victor. While I would love to be able to take credit for even some of these accomplishments, I cannot. I owe my thanks, as we all do, to the officers who serve this Barony, including the officers of Hawks Hollow and Schola Metallorum. Never in my life have I met a group of individuals as enthusiastic and dedicated to making other people happy. Working with them has been a humbling experience and I have been honored to be associated with all of them.

I have also had the honor of working closely with three pairs of Caerthen nobility, all of which have been shining examples of the very ideal of what nobility should be. While they were our Baron and Baroness, Their Majesties
Hoegaarden and Chiara showed me just how wonderful the partnership between the Seneschal and the Baron and Baroness can be. Our Vicar and Vicaress, HE Vlad and HE Adelaide, taught me that people can aspire to greatness without spending years on the job. And over the last few months HE Kronos and HE Catherine have begun to show me a whole new side to the Baron and Baroness. Words cannot describe my debt to all of the Caerthen nobility I have worked with and I thank them greatly.

I would also like to thank the past and present Seneschals of Hawks Hollow and Schola Metallorum, the past Seneschals of Caerthe and all of my deputies for their leadership and words advice. I could never have done the job without them.

Finally, I would like to thank my lady wife, Constance and my

From the Aspen Pursuivant

Greetings from the Aspen Pursuivant,

I regretfully inform the populace the office of Aspen has changed hands due to mundane matters; Herrin Katrein was unable to continue as Aspen Pursuivant. I am known many of you and if we have not met, please come up and introduce yourselves. I would love to make your acquaintance.

CALLING ALL VOCAL HERALDS!! CALLING ALL TOWN CRIERS!!!! CALLING THOSE WITH LOUD VOICES!!! We need six people, count them SIX!!! Unser Hafen has requested our aid for Glory! Who are we to deny our northern neighbors, the northernmost baronial protector of our lands??? If they have twelve people total, it is believed that the town crying can be on alternate days. You won't have to do this every day! TEENS WANT TO HELP? No age limit on being a voice herald! We would love to have your help!

CAMPING SEASON is soon to be upon us. That means town criers, heralds for the lists, heralds as temporary retinue for visiting dignitaries... Let me know, let me help you coordinate this much-needed aspect of our events.

daughter Katrina, for their patience and understanding for the many instances when I had to turn from them to the business of the Barony. In this way their service to the Barony has been greater than my own.

I leave the Barony in the VERY capable hands of THL Órfhlaith ní Dhubháin, who has taught me as much about being Seneschal as I have taught her. I will remain THL Órfhlaith's drop dead deputy for a short time while I complete unfinished business and she begins to search for a replacement drop dead deputy. Serving as the Seneschal of the Barony of Caerthe has been by far the most rewarding thing I done in my SCA career, and it is with a tear in my eye that I sign off for the last time...

In service,
THL Robert Marchet
Seneschal of the Barony of Caerthe

Change to Baronial Policy (Duct Tape)

As discussed at the April Populace Meeting, the following policy has been added to Baronial Policy:

3.5 Site Tokens
3.5.1 Site tokens must be issued to all attendees of an event by the troll when they check in, after either presenting a current blue card or signing a waiver.
3.5.2 Event attendees must display their site token while in public view. Attendees who do not display their site token may be asked to show their site token, present a current blue card or sign a waver. If they refuse to do so they may be asked to leave the event.
3.5.3 Site tokens must, at a minimum, allow the event staff to differentiate between attendees who have presented a current blue card to the troll and those who have not.
3.5.4 It is the duty of all event staff and officers in attendance at the event to notify the event's Autocrat of any gentle not displaying their site token.
3.5.5 The Autocrat of an event is responsible for policing the site token policy with the aid of the Constable and the Seneschal as they see fit.

Approved this day, April 20 AS XXXVIII, being 2004 in the common reckoning,

Their Excellencies Syr Kronos and Lady Catherine
Baron and Baroness of the Barony of Caerthe

Minister of Children Report:

Greeting all,

The month of April was slow, I expect that the seneschal now has a draft copy of the Minster of Children handbook that myself and the MOC of Hawkshollow worked on together. Currently it is being reviewed by Caerthe's and Hawkshollow's seneschals.

For the month of May, Hawkshollow is hosting Spring Coronation on May 8th and 9th. Hawkshollow's Minster of Children will have a class for young adults and children to attend. The last weekend of the month, Crossroads will be held at Pawnee National Grasslands. This is the
first summer camping event and many young adults and children's activities are planned. If you would like to volunteer, please let me know.

In Service,

Lady Constance Marchet
MOC, Barony of Caerthe

University of Caerthe

Note: *The University of Caerthe is now meeting at Mountain Keep Hall.*

In May, our speaker will be THL Rosslin Katherine von Hohenzollern, (Ed. Note: Outlands' A&S Champion) who will speak on Period Illumination. To be more precise, Style, Color and Period Pigments.

When you look at a manuscript and try to determine what the "style" is, you must also considered the pigments and binders that the illuminator had available. The range and depth of colors and the binder affected the style, the combination of colors, and the overall affect of a piece. She will cover period pigments and where and when they became available to the illuminator. She will cover the changing styles and how the available colors affect that style and make effects possible that were not possible previously. She will also cover the changing position of Illuminator, from Monk to Craftsman, as this also affects the styles and pigments available.
